1st Trip → February 3 - February 16 / 2nd Trip → February 24 - March 8

9-nights at 'The Sandcastle' on Lido Beach

*YES*, we are once again 'good to go' to our beloved Sandcastle!

They weathered through another storm (*flooding*) in late August and were able to keep up with necessary maintenance rather than going through a full renovation!

We will take 2-nights going down and 2-nights on our return to help eliminate long days en route. *Plus*, this also allows us to make additional stops along the way and to appreciate an earlier arrival!

We will settle-in for '9-nights' to enjoy their beautiful setting...relaxing on the *Beach and Pool area*, visit the popular *'St Armand's Circle'* for dining and/or shopping, along with a few *'Side-trips'* offered! \*

\* Side-trips are usually limited to the surrounding 'Sarasota' area, with motorcoach transportation included.

Attractions/Admissions are usually at discounted 'group' rates or, many are at 'no additional cost' at all.

These outings are 'optional' with a description/discussion along with 'sign-up' en route down.

Watch for these and more in the May/June Mailing!

... "Just, 'On My Mind' in Closing"...

Unfortunately, we are all well aware that 'cost' seems to be going up on everything ... making it a part of the so-called 'NEW NORMAL'. ☹

The increases have certainly become a reality as we are approaching a new year and the '2024' pricing has noticeably gone up in the food industry, lodging, motorcoach costs, etc. Fortunately, being a small business, without a lot of overhead, I have been able to maintain with gradual increases, yet being cautious not to jeopardize 'our quality' and 'your value'.
